# HIGHLIGHTS OF THE YEAR

2019 has been a productive and fruitful year for Ngee Ann Academy. We achieved the renewal of the 4-year EduTrust Certification conferred by the Committee for Private Education, welcomed more than 200 students into our degree programmes, and successfully launched 4 part time postgraduate programmes. We made progress in enrolments for each one of our degree programmes and have also greatly expanded our educational efforts through public lectures, seminars, short courses and development workshops which we hope have brought social and educational benefits to the all attendees.
