Message from Academic Dean, Dr Daniel Lim

Education is not just about acquiring knowledge; it's about creating a nurturing environment where every student feels supported, valued and inspired to achieve their best.

With this in mind, I introduced initiatives to ensure that Ngee Ann Academy continues to provide a dynamic and adaptable education that meets the demands of today's rapidly evolving world.

This means modernising our educational offerings, integrating the latest technologies and maintaining a strong focus on industry relevance and student-centered learning.

But this mission is not one I can accomplish alone. I invite each of you to join me in this journey of continuous professional development and innovation. Your participation, feedback and enthusiasm are crucial in helping us achieve our shared goal of excellence.

Together, let's build a future where education is not only a pathway to knowledge but also a catalyst for positive change and personal growth.

Thank you for being an integral part of our Academy. I look forward to seeing how we can continue to support each other in the months and years ahead.

Best regards,
Dr Daniel Lim

LATEST NEWS & UPDATES

NAA's Outreach@Ngee Ann Polytechnic

To stay closely connected with students in nursing remains our priority. On 19 July 2024, we participated in the Health Sciences Education and Career Guidance (ECG) Fair, held at Ngee Ann Polytechnic. We spoke to about 500 nursing students from Year One to Three, engaging their attention on why they should continue to upskill their nursing knowledge and expertise upon their graduation from the Polytechnic.

Financial Literacy Workshop: Implementing Your Financial Plan

NAA and the Institute for Financial Literacy held its third Financial Literacy workshop on 25 July 2024 on Implementing Your Financial Plan. Check out what our students feel about achieving their financial independence.

“

Very insightful.

”

- Naw Grace, NAA Bachelor of Science in Nursing with Honours (Top-up) Student, 2024

“

I found the programme useful and relevant to me. The course has provided me insight to planning my finance and I was most interested in the investment aspect!

”

- Cheong Man Yee, NAA Bachelor of Science in Nursing with Honours (Top-up) Student, 2024

Catch the final workshop in this series on 26 September, 7pm, on Building Financial Resilience. Look out for the notifications via our social media platforms and emails.
