Dates are indicated where available for modules and are subject to change. Further term dates and submission dates will be confirmed prior to the start of each module. **Please make sure you review each module handbook and timetable for the most up to date information and synchronous (live) session details.**

All modules have online learning components. These can be completed flexibly during the indicated timetable week and we recommend students to allow about 12hours of learning per week for their modules. The detailed timetable of each module is provided in the module handbooks. Please visit each module accordingly. Assessment results are available to students 4 weeks after submission (6 weeks for dissertation results).
