King's Orientation for October term will be on **Wednesday 8<sup>th</sup> October 2025, 17:00 – 18:00 SGT via MS Teams**.  
An introduction to KEATS (King's online learning platform) and Library services will be held on **Monday 13<sup>th</sup> October, 18:00 – 19:00 SGT on MS TEAMS**.

Dates are indicated where available for modules and are subject to change. Term dates and submission dates will be confirmed prior to the start of each module. All modules have online learning components. These can be completed flexibly during the indicated timetable week and we recommend students allow about 12 hours of learning per week for their modules. The detailed timetable of each module is provided prior to the start of term. Assessment results are available to students 4 weeks after submission.

**\*Synchronous F2F and online sessions: These are compulsory and must be attended unless you have mitigating circumstances preventing you from attending the session.**

Online synchronous sessions are scheduled between 18:00-20:00 SGT unless otherwise indicated in your module timetable and handbook.

F2F sessions are taught in an intensive four-day block, typically a Thursday-Sunday will differ in slots to allow students to better manage their work and personal commitments.
